

FLORIDA BUILDER APPLIANCES CONGRATULATES NARI'S COTY WINNERS

THE BEST PROJECTS OF 2010

MARZULLI NAMED TO NARI HALL OF FAME; CASHMAN, KING TAKE ASSOCIATE OF THE YEAR AND CONTRACTOR OF THE YEAR HONORS.

More than 100 people attended the annual Contractor of the Year (COTY) Awards ceremony, which honors outstanding residential and commercial remodeling projects. The event is recognized by the National Association of the Remodeling Industry (NARI), Tampa Bay Chapter.

The Atlanta NARI Chapter judged the entries. In attendance were local chapter members, their spouses, friends and clients. NARI National President, William Carter, presented the awards.

In addition to individual projects, an award was given for Contractor of the Year and Associate of the Year and a new member was inducted into the NARI Hall of Fame, John Marzulli of Emerald Contractors.

New Hall-of-Famer Marzulli was recognized for "outstanding contributions to NARI, the remodeling industry and the community at large." Rick Cashman of Florida Forest Products and Doug King of West Coast Remodelers & Construction were named Associate of the Year and Contractor of the Year, respectively.

The Belleaire Country Club offered an opulent setting for NARI's annual COTY Awards.
